11Lemon - FaceOff V11

THC: 27.83% CBD: 0.01%

FaceOff V11 is an exotic, balanced Hybrid bred by 11LemonGenetics from *Sunset Sherbert x French Toast*, backcrossed with *FaceOff* OG lineage. Influenced by classic early-2000s Cali FaceOff genetics, it brings together *Paris OG*, *Star OG*, and other powerhouse parents for a bold, old-school experience.

Expect a terpene-rich profile led by Beta-Caryophyllene, D-Limonene, and Beta-Myrcene, with notes of lemon fuel, creamy citrus, and earthy spice. The aroma bursts with zesty lemon on the break-up, finishing with a sharp citrus perfume on the exhale.

3.5g & 14g - Available at 22nd Street and Prince Albert.

7g & 0.5gx11 - Available at 8th Street, 22nd Street, and Prince Albert.

11Lemon - Frosted Face Seeds

Frosted Face is a feminized, balanced Hybrid known for high THC levels, vigorous growth, and bold, greasy terpene profiles. As an F1 cross, expect some genetic variation — most plants lean balanced, with select phenotypes expressing stronger traits from either parent.

- Medium-fast flowering with strong Hybrid vigor and solid branching
- Indoor flowering time: ~72 days
- Outdoor harvest: Mid-October (flowers begin mid-late August; protect late-season plants in northern climates)
- Height ranges from 80–250cm depending on phenotype
- Medium stretch with above-average branching, forming semi-dense bushes

Yield:

- Indoors: Up to 600 g/m²
- Outdoors: 1000 g+ per full-season plant

6 Seeds - Available at 8th Street, 22nd Street, and Prince Albert.

DULLE'S NEUROLOGY FUNDRAISER

A customer of Prairie Cannabis, Brennon Dulle, has had a stroke and 4 brain surgeries. The last 2 brain surgeries were in Calgary and now he's graciously working with RUH in Saskatoon to further develop the Neurology Ward.

February 1 - 28: For every Prince Albert or Saskatoon's Finest 1g Pre-Roll sold, Prairie Cannabis will donate \$1 to Brennon's Fundraiser. We will also match all cash donations on behalf of Brennon for RUH.

Lord Jones - Sour Diesel x Orange Velvet Infused

THC: 42% CBD: 0.1%

Pancake Ice is an Indica leaning Hybrid. Its effects are a good mix of Indica and Sativa. Its Indica reputation comes from its calming feeling.

The strain is a cross between *London Pound Cake* and *Kush Mints*, according to Goodday Farms. The Kush Mints gives the flower its Indica dominance. The breeder of Pancake Ice is Cookies x Seed Genetics. The aroma of Pancake Ice is spicy, fruity and diesel with an earthy undertone. Some of the reviews detect flavours such as clove, lemon and blue cheese. The spicy kick is supplied by the major terpenes in the strain itself.
