Prairie Cannabis

Big changes are coming to Prairie Cannabis online July 1st!

Loyalty will be available through our website starting July 1, 2026.

Once you are signed up, either in-store or online, you can log in on the website and see the applicable account details, such as:

- Points
- Order history
- Visit counts
- Loyalty activity

When you're registered in-store with an email address on file, you can also use the website without having to register a second time.

You would just need to create or reset your password for online access. That can be completed through the "forgot password" option, or a team member can help set a password for loyalty members in-store if preferred.

If you've made a purchase on any of the 3 Prairie Cannabis websites, you will be prompted to reset your password when you login. Unfortunately, all past orders will no longer be available for viewing in-store and online.

You can now shop between Prince Albert, and both Saskatoon locations (8th and 22nd) between 1 online account vs. 3 separate accounts.

After June 30, 2026, at 7:00 PM, our current websites will no longer be available. Moving forward, all online shopping will take place at [PrairieCanna.ca](https://prairiecanna.ca).
