Celebrating October 17

On October 17, we celebrate cannabis legalization in Canada and reflect on the incredible community that makes this journey so meaningful. We are grateful for our customers who support responsible and enjoyable cannabis experiences. Legalization has allowed us all to explore, share, and appreciate cannabis safely, and we couldn't do it without the people who make our community so special.

To mark the occasion, all our stores will have special sales to celebrate Legalization Day. *Valid only October 17.*
